To Whom It May Concern

Lama Karma Phuntsok is fully ordained monk of Palpung Sherab Ling Monastic Seat of Palpung Congregation of Vajrayana Buddhism. He was ordained since very young age from me and his monastic training was successfully accomplished and took the responsibility of chanting master at same monastic seat for many years.

He was also well trained in traditional art and in Tibetan literature, such as Tibetan grammar, poetry and calligraphy. He also received knowledge of Buddhist Philosophy from various masters and received transmissions and empowerment of Kagyu Lineage from late Very Venerable Saljay Rinpoche, Very Venerable Migyur Rinpoche and Ven, Duppon Tsultrim.

He also received most of the transmissions and training from me and traditional three years retreat was done under the Palpung Congregation at Palpung Sherab Ling retreat Center. He also spent in Canada at different Dharma centers and he taught for many people according to the Dharma for past many years, at the same time his knowledge in English is sufficient to teach the Buddha Dharma

Currently he is also founder of Palpung Yeshe Choekhor in Canada which is branch of Palpung congregation and his knowledge of Buddha Dharma where appreciated by many followers. I appointed him as the Choeje Lama of Palpung Yeshe Choekhor according the tradition of Palpung Congregation.

I pray for his activities to benefit the Buddha Dharma and Sentient being according the lineage of Palpung Congregation.

Yours in the Holy Dharma
